WWW.ARSENALTRUST.ORG

Our goal is to widen and deepen supporter ownership and influence at Arsenal. A large number of our members are already personal Arsenal shareholders. Every member of the Trust participates in ownership of Arsenal Football Club through the shares the Trust owns mutually.

The Trust works with its members. Arsenal executives, the club's Board, major shareholders and other Arsenal supporter groups to help maintain Arsenal as a world class sporting institution.

Arsenal is a name and a club already widely admired around the football world. Together we can take it to even greater heights, both on and off the field.

The Arsenal tradition is one of ground-breaking innovation and custodianship. Please join us and support our work.
